A 173' (PAR 3)  
B 196' (PAR 3)  
HYZER BAY

803.13 Holing Out - Part B  
...To hole out, the thrower must release the disc and it must come to rest supported by the chains or inner tray (inside of the tray). A disc that entered the target from the top of the chain support or thru the side (or rests on top) is not considered holed out.

To all Veterans who  
honorably served  
our country ...
